

Print Deposit Forms

Last Modified on 18/06/2025 12:28 pm AEST

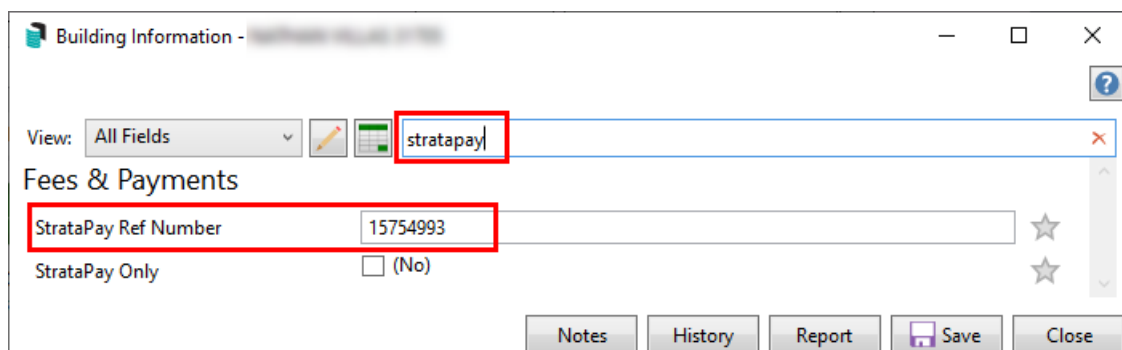

The instructions in this article relate to **Print Deposit Forms**. The icon may be located on your [StrataMax Desktop](#) or found using the [StrataMax Search](#).

If you have received a cheque or cash in your office that needs to be deposited into the building's bank account, you can use the **Print Deposit Forms** menu to print a deposit slip for a selected account in StrataMax. This could be monies received for owner levies or insurance refunds, for example. These slips can be used to deposit the funds directly into the bank account at the bank branch or via StrataPay - either at Aust Post (cheques) or sent to StrataPay. The benefit of using a deposit form to deposit funds into the bank account is that it will automatically reconcile to the selected account, removing the need to manually allocate the deposit in the [Bank Reconciliation](#) screen later.

A bank account is required, and the details need to be configured in the [Bank Account Setup](#) screen including the Deposit Slip Account Titles.

StrataPay Ref Number Setup

Before printing a deposit slip, you will need to check that the 'StrataPay Ref Number' field in [Building Information](#) is populated. It should do this automatically when the building has a bank account number in the [Bank Account Setup](#) screen, lots present in the [Roll](#), and is also included in the [StrataMax menu](#) to be uploaded daily. Still, it's best to check. If there is no StrataPay Ref Number, please contact our Support Team.

The screenshot shows a window titled "Building Information - [Building Name]". The "View:" dropdown is set to "All Fields". A search bar contains the text "stratapay". Under the "Fees & Payments" section, the "StrataPay Ref Number" field is highlighted with a red box and contains the value "15754993". Below it, the "StrataPay Only" checkbox is unchecked, with the text "(No)" next to it. At the bottom of the window are buttons for "Notes", "History", "Report", "Save", and "Close".

Please note that it will no longer be possible to use StrataPay deposit slips to deposit cash at Australia Post offices. For cash deposits, please use the [bank's deposit form](#) instead of the StrataPay deposit slip and visit the bank to make the cash deposit. To print a StrataPay deposit form use the following steps:

1. Search or select ***Print Deposit Form***.
2. Ensure *StrataPay Deposit* is ticked (by default).
3. Select the *Account* for the deposit to post to when banked.

7. Set the *Deposit Date* (today's date is pre-populated).
8. Add *Notes* if required.
